

St Robert's Catholic Primary School

Newsletter- Week 4

Thank you to all the parents and carers who joined us for our Open Classroom yesterday. We hope you enjoyed spending time in your child's classroom, looking through their books, seeing examples of their learning and having the opportunity to speak with their teacher. It was wonderful to welcome so many families into school and share the fantastic start the children have made to the year.

For our Early Years parents and carers, thank you for your understanding. We appreciate that you were unable to visit classrooms on this occasion, but we are pleased to let you know that there will be an opportunity very soon for you to come into school, see the learning environment and find out more about the exciting experiences your children are enjoying each day. We look forward to welcoming you then.

Early Years Donations Needed

Our Early Years team is looking for donations of **dressing-up outfits, dolls and dolls' clothes** that are in good, clean condition. These resources are always incredibly popular with the children and play an important role in our role-play and home corner areas, helping to develop communication, language, creativity and imagination.

If you have any items that your family has outgrown and would be willing to donate, we would be very grateful. Donations can be handed in via the school office.

Thank you for your kindness and support. It is greatly appreciated and will help enrich the children's learning experiences

Wharfe Valley Active School Clubs

There is still time to sign up for these new clubs. The children attending UV Dodgeball, Lego and Friday's Fitness Club are really enjoying them and the coaches have been so impressed with how the children are listening, following instructions and giving their all. There's still time to try these clubs before the end of the half-term.

School Council

Congratulations to our newly elected School Council members! We are incredibly proud of all the children who put themselves forward and would like to congratulate those who were voted in by their classmates. We look forward to hearing your ideas and seeing how you will work together to make our school an even better place for

everyone to learn, grow and thrive. We know you will be excellent role models and ambassadors for our school community.

Reading and Library Volunteers

We are looking for parents, grandparents and other family members who may be able to spare some time to support our children by listening to them read. Just a small amount of time can make a huge difference to a child's confidence, fluency and enjoyment of reading.

We are also seeking volunteers to help organise and develop our school library. Mrs Rowe will be happy to provide guidance and support. Our library is a wonderful space, and we are keen to continue developing it as a place where children can discover great books and foster a lifelong love of reading.

Any volunteers will be asked to complete a short application form, provide references and undergo a DBS check. We are happy to support you through this process. If you are interested in either of these opportunities, please contact the school office. We would be delighted to hear from you.

Attendance this week is 96.83 %

(national average 95.6%)

Thank you!
