St Robert's Catholic Primary School

Mission Statement

Rationale: **Every child is a unique creation of God. We actively encourage each child to reach their full potential by living out the Gospel values and deepening their understanding of the Catholic Faith and the importance of forgiveness and reconciliation. We want to inspire and nurture every child within a happy, stimulating and inclusive school where children respect and care for each other.**

Our Catholic centred learning environment offers a broad and balanced curriculum where every child can feel secure and confident. Children are encouraged to become independent learners and always be ready to face new challenges. We aim to provide an excellent education and instil a lifelong genuine love of learning. We want children to develop an aspiration for outstanding, personal achievement develop an understanding of the world and to contribute to society as responsible citizens.

"Everything is possible if you believe." Mark 9:23
