

St Robert's School Newsletter

Please Help

Please help our efforts to keep the school community a safe environment by sending in the following items. These items will be used by all members of the class.

Packets of anti-bacterial multi-purpose wipes, like those you would use for

household cleaning, so children can clean tables in between change of use and before and after lunch.

Boxes of tissues.

Liquid soap (with moisturisers) suitable for children to use.

	Wrens
Max	Robins
Thomas	Sparrows
Wiktoría	Starlings
Victoria	Merlins
Leo	Owls
Lucas	Kestrels
Nia	Kites
Hamdaan	Falcons
Toby	Eagles

Well done everybody!

Big Fish - Phoebe & Hermione Smith

Little Fish - Janrae Amor

Bilton and Woodfield Library

Bilton and Woodfield Library is now open for lending books.

Opening hours are -
 MONDAY 1.30-4.00 p.m.

THURSDAY, FRIDAY, SATURDAY
 9.30- 12 noon.

Children should watch out for the **LIBRARY BOOK BINGO** starting on **OCTOBER 5th**.

Hand Lotions and Medical Policy

In accordance with the Medical Policy in school, as in most schools, all creams/lotions are only allowed in school if they are prescribed by the doctor. They must be brought in their original container with the prescribed label for the named child. You must fill in the medicine authorisation form which will need to be agreed and signed by the Head Teacher.

Handwash with moisturisers

With all the increased handwashing in school we are presently allowed to use liquid hand soap with moisturisers. If you wish to send this in to school please do so. However, we cannot accept it for individual use, it must be available for the whole class to use.

If you check some reviews online of children's soap, there is a discount supermarket which sells a value bodywash for children which is rated by parents for treating eczema and for sensitive skin. This seems to work as well as more expensive products.

School Lunches

School lunches are available for all children in school. Please note that Reception children and all of Key Stage 1 are entitled to a Universal Free School Meal.

The lunches are presently a combination of cold sandwiches or wraps, there are also some warm foods like pizza and chips. The menu for the week ahead is available

each week via Classlist. We are hoping to resume hot meals in the near future.

Siblings Pick Up and Drop Off

Thank you to those parents who have emailed school. This will take a bit of time to organise please bear with us and we will get back to you as soon as we can.

Reception/KS1 Healthy Snacks and Healthy Schools

Reception/Year 1/Year 2 should not bring a snack to school as the National Fruit and Veg scheme provides a healthy snack for all pupils in R/Y1/Y2. Children in KS2 can bring a healthy snack to school. As part of the Healthy Schools Award, school promotes keeping healthy by making healthy choices.

Harvest Collection

We will be collecting foodstuffs for the Harrogate Homeless Charity over the coming weeks until October half term. Please support the Harvest Collection by sending in anything from the following list: UHT milk, tins, biscuits, fruit juice, squash, coffee, jars, rice, pasta, cereals, toiletries, cleaning products.

Thread Worm

There has been a case of threadworms at school. Remember, threadworms are very common and are easily treated. If you would like any further information, please visit <https://www.nhs.uk/conditions/threadworms/>

Morning

Dear Jesus,

As I go through today, help me remember that you are with me.

When I am happily playing with my friends, you are with me.

When I feel frustrated that I don't understand, you are with me.

When I feel hurt or upset, you are with me.

When I am confident and excited, you are with me.

Help me to make good choices today.
 Help me to show love like you today.

Amen
