Thomas R	Starlings
Kyle	Merlins
Henry	Owls
Sean	Kestrels
Chloe	Kites
Maja W	Falcons
Hannah	Eagles

Well done everybody!

Big Fish - Jemima

Little Fish - Naomi T

Prayer

Dear Lord,

In these tough times, many of us have struggled to overcome consequences that come into our lives.

Please give us the virtue of perseverance and encourage us to never give up, even in the toughest situations.

Amen

Emilia, Y6 Mini Vinnie

School Class Photographs

Class school photographs will be taken next Wednesday, June 16th. Please make sure you look your best for your photograph with your class friends, shiny shoes and hair tied back for boys and girls.

St Roberts' Helping Hands AGM

Although we haven't been able to hold any events or organise fundraising over this last year, the St Robert's Helping hands would like to invite everyone to their Annual General Meeting on 23rd June at 7.30pm. There are accounts to be reviewed, roles to be nominated and ideas to be gathered for future events. Please come along to support the school.

Harrogate District Walk to School Day—Friday 18 June

Get active whilst helping combat climate change! Can you leave the car at home for the school run on Friday 18th June?

At 28% above the UK average, road transport is the largest contributor to carbon emissions in the Harrogate District. By choosing a more sustainable form of transport, you can do your bit to help protect our planet and our communities by tackling climate change. Even if you live too far from school to walk or cycle all the way, using public transport (or the car if you don't have public transport options) and walking the last part will help make a difference.

The physical and mental health benefits of exercise are well known, with studies also showing that walking to school improves concentration and helps pupils

arrive ready to learn. Making the journey on foot, by bike or using public transport means fewer vehicles on the road, benefitting the wider community with less traffic and cleaner air.

Zero Carbon Harrogate will be logging the miles walked (or cycled) and carbon saved by schools across our district - so please help put our school at the top of the leader board!

Every mile counts! Please go to www.zerocarbonharrogate.org.uk/harrogate-district-walk-to-school-day for more information.

Refugee Week

Refugee Week is a UK-wide festival celebrating the contributions, creativity and resilience of refugees and people seeking sanctuary. Please see the attached poster about an exhibition in Harrogate next week.

Virtue of Honesty

The beginning of this term sees the children exploring the virtue of honesty. Please discuss this with your children at home and talk about how we need to practise the virtues in our daily lives in order to be the best version of ourselves.

Definition HONESTY - is telling the truth. It is speaking the truth without exaggerating or omitting things, but also with kindness and tact. It is having the courage to admit the truth even when it is hard to do. When you are honest you can be trusted. When you are trustworthy you can be relied upon to do something and to keep the promises you have made. You have integrity when you are honest to others and to yourself; you do not try to be like someone you are not, you are your true self. When you are honest your actions match your words: you practise what you preach.
