Welcome Back

Welcome back to all our children parents and carers to the start of the new term. The children are enjoying being back in school and socialising with their friends and getting to know their new teachers. The new staggered start and finish times will soon begin to

settle into a routine and we will need to tweak the process less. The health and safety procedures are helping to keep us all safe and to keep school open so we can get back to a 'new normal.'

Birthday Books

As we are promoting Healthy Schools (and to adhere to Covid guidance) we ask that you do not send in any sweets or cakes for the children to share on their birthdays or other celebrations. If it is your child's birthday you are invited to send in a book to read and share in class. Some teachers have even shared their book wish list with you via Classlist.

Lunches

We have tried to keep as much variety in the school packed lunch as possible, however due to Covid rules and time restraints we unfortunately have to change this to a cold option only of either cheese or ham. As soon as we are able to amend the menu we will update you. Please be aware that school meals have now increased to £2.50 per meal.

Children can bring their own lunch in a lunch box and just need to take all their rubbish

home to dispose of. Lunches are being eaten in the classroom until further notice.

Please be aware that we are a **nut free** school as we do have children with severe nut allergies.

PE

Children are asked to wear their PE kit to school on their PE days please make sure they wear outer clothing suitable ie. Jogging bottoms, leggings, sweatshirt preferably in blue or grey but don't worry too much as long as they are suitable.

Safe Internet Usage

Please make sure you know what your children are doing on the internet and social media when they are using their devices. Children need to learn that the rules of respect and kindness are to be used at all times which ever media they are using. This will help to reinforce the messages they are getting in school. With the rise in reliance on the internet, especially during these trying times, it is even more important we help our children to practice the virtues of respect, kindness and friendship. Go to [saferinternet.org.uk](https://www.nspcc.org.uk/keeping-children-safe/online-safety/) or <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

Father Jim

Father Jim would like to pass on his thanks to all the children who sent him cards and letters in the summer. He is so grateful to receive them and misses coming into school. He send his regards and blessings to all.
