Kasper	Starlings
Archie	Merlins
James	Owls
Charlotte	Kestrels
Wilf	Kites
Arthur	Falcons
David	Eagles

Well done everybody!

Big Fish - Tom Gregory

Little Fish - Albert Fennell

Welcome Back

Welcome back to school to all of our children parents and carers. It is lovely to see everyone again and hopefully get back into a bit of a normal routine. The children have been great and have brought their enthusiasm, smiles and fun back with them.

Academy Conversion

We are pleased to be a part of The Bishop Wheeler Catholic Academy Trust after converting on 1st March 2021.

CAFOD Lenten Fundraising

During Lent we will be fundraising for the Cafod Walk for Water campaign and the classes will take part in a 'continuous walk around the school grounds' on Wednesday 24th March. To ease the collection of fundraising we ask that families support their children by sending in a donation for the event. Hopefully the weather will be kind but children will need a warm coat and suitable footwear like training shoes or wellies.

Drop Off and Pick Up

Thank you to everyone for following all the control measures for drop off and pick up times and reducing the risk of transmission by being on site for as little time as possible. Please make sure you are with your children and do not just leave them when you drop off as they are unattended on an open site until they enter the school building.

Sibling 'Bubble'

The organisation of the sibling bubble has changed please make sure you have read the previous communications. We still need to bear in mind the

transmission risks and keep the 'sibling bubble' at minimum capacity but we ask parents/carers to please let us know if they are unsure of the arrangements.

Nut Free School

We are a nut free school due to children with severe allergies in school. Please make sure children do not bring any snacks or packed lunches with nuts or nut derivatives into school.

ParentPay

Please check your ParentPay account and ensure that you clear any school dinner debts.

Supporting Children's Mental Health

To continue to support our children's mental health read the article on 11.3.21 Classlist

"The take-home message is that children and young people need love and limits. During lockdown with many children having to stay at home, the same principles apply. Of course it is harder all-round to stay calm, for both adults and children who are cooped up inside and not seeing friends. Try keeping clear routines, and both adults and children should try to engage in one each of PACE (physical, achieve, connect, enjoyment) activities per day."
Professor Stephen Scott CBE

Living the Virtue of Charity

The real evidence of our belief is the way we act. To treat all those we encounter as if they are Jesus is no easy task. What we do for others demonstrates what we really think about Jesus's words to us- feed the hungry, give the homeless a place to stay, look after the sick.
