## Harrogate Homeless

Harrogate Homeless Project were overwhelmed with gratitude from all the wonderful donations our parents/carers and families have sent into school following the Harvest food donations. Thank you to everyone who was able to contribute, it has been very much appreciated.

## Christmas Activity Day

St Robert's Helping Hands have kindly donated the funds for the children to participate in a Christmas Activity Day in school on the Thursday 10th December.

This will be a Christmas themed day for children to make crafts, listen to Christmas carols and wear their Christmas jumpers.

During Advent there are also other seasonal activities planned but we don't want to spoil too many surprises. We hope you will be able to share in our Christmas spirit of kindness.

## Christmas Lunch

We intend to have school Christmas lunch on a rota basis throughout the week beginning 7th December. All current covid-19 controls will need to be in place but we hope to have two classes per day - socially distanced - having their Christmas lunch in the hall. More details to follow soon.

## SVP

The St Robert's SVP have kindly made a donation to school for workbooks for the children to use during isolation should they not be able to access school work on Microsoft Teams. We are always grateful to the SVP for all of their help and no more so than during this difficult time.

Should any of our parents/carers wish to donate to help families and children in our school and church communities please contact SVP through the parishes of St Aelred's and St Robert's.

St Robert's SVP have set up a Just Giving page for their Advent Appeal so please go to : <http://www.justgiving.com/fundraising/hgate>

Where possible, donors are asked to gift aid their donations, as it makes a huge difference to the funds. Alternatively, you can put a cheque through presbytery door.
