Theo	Starlings
Ella	Merlins
Ava	Owls
Pierre	Kestrels
Mia	Kites
Eleonora	Falcons
Amelie	Eagles

Well done everybody!

Big Fish - Anjule

Little Fish - Jan

Healthy School

Please make sure all packed lunches contain healthy food and snacks. Fruits and vegetables and healthy sandwiches are going to keep children healthy with a robust immune system. Sweets and chocolates are not allowed for school lunches or snacks. Water bottles should contain water to keep children properly hydrated through the day. Please be aware we are a nut free school.

DfE Update to guidance for parents

DfE have updated our guidance on [what parents need to know about early years providers, schools and colleges during COVID-19](#).

DfE have also published a collection of [guidance providing information for parents and carers](#) of children attending early years settings, schools and colleges during the coronavirus (COVID-19) pandemic.

CAFOD Lenten Fundraising

During Lent we will be fundraising for the Cafod Walk for Water campaign and the classes will take part in a 'continuous walk around the school grounds' on Wednesday 24th March. To ease the collection of fundraising we ask that families support their children by sending in a donation for the event. Hopefully the weather will be kind but children will need a warm coat and suitable footwear like training shoes or wellies.

Y6 Hoodies DEADLINE 22 March

Y6 parents are organising the end of year Leavers' Hoodies for all Year 6 pupils please respond to the message on Classlist to ensure you are included

in the order. The Classlist message was posted 6 days ago by Mrs Warren and contains details of how to place your order. Please respond as you may miss the order date and your child may miss the chance to get a Leavers' Hoody.

ParentPay

Please check your ParentPay account and ensure that you clear any school dinner debts.

Supporting Children's Mental Health

To continue to support our children's mental health read the article on 11.3.21 Classlist

"There are thousands of research studies with real-life parents and children showing what parenting styles maximise the chances of good outcomes, and hundreds of trials of parenting classes showing what works. The take-home message is that children and young people need love and limits.

By love I mean getting properly involved with your children for 20 or 30 minutes a day. It doesn't have to be longer, we are all busy. But if you can spend this special time, it will be a good investment. Responding sensitively to your child's signals with concern and interest will help them learn that you are there for them.

By limits I mean setting calm, clear boundaries. It is so easy when you are tired and busy to give in now and again, allowing your child to stay up late or have an extra biscuit. And if they start whingeing when you don't, but you eventually let them have their way, you are inadvertently teaching them that if they complain, they get what they want!

Try keeping clear routines, and both adults and children should try to engage in one each of PACE (physical, achieve, connect, enjoyment) activities per day."

Professor Stephen Scott CBE

The Virtue of Charity

Charity is love, a virtue through which we love God above all else and we love our neighbour as we love ourselves. You accept someone as they are, you care for them, and care what happens to them. You always think about the other person rather than thinking about yourself. When you love you put into practice the "golden rule", to treat others with respect and kindness that you want for yourself. You show love for people you do not know by simple acts of kindness and by wanting the best for them.
