Remembrance Poem

11th November the poppies rest.
Knowing that this wasn't a test.
As they blow they mark our place.
I am calm until I have flashbacks to the past,
Our cities burn and our people cry
I wish it was just a lie.

We are dead even though
We lived, felt dawn, saw night time roll.
Loved, we were loved and now we rest
Remember, remember the 11th November.
ber.

A day never to be neglected
The hardships fought
The light; take it and hold it high
For now we rest like the poppies beside.
But one final wish is still in our minds
Never forget the end of those dark times.

Continuing Covid Restrictions to Reduce Transmissions

You must wear masks on entry to the school Reception/Office area and the school building

Please help reduce the spread of coronavirus by wearing masks at drop off and pick ups. In order to keep school open there needs to be enough staff in, to work at correct health and safety levels.

Walk to School Day

Harrogate Carbon Zero are holding their second walk to School Day tomorrow. Children can walk to school any day this week and next week to try and reduce their carbon footprint. They won't be collecting walked miles this time because of the clash with Children in Need.

Children in Need

Children are invited to come to school on Friday with an accessorized uniform and donate £1 to raise money for Children in Need. You might choose to wear spotty socks, Pudsey Bear ears or perhaps a yellow tee shirt. It's all for a good cause, to help children who need support in all sorts of ways.
