Prayer

Dear God

The past year has been hard for all of us.

Many have lost their way in life and many have lost others.

This is when the world must come together, love one another and be kind to each other.

In these times we have noticed the beauty that is all around us.

We must never give up hope.

Amen

Whole School Risk Assessment

As the government eases some of the national lockdown restrictions, the school continues with all control measures in place in order to keep the risk of transmission down. Please continue to follow all the restrictions in place around school so that we can continue to keep the school community safe.

Hello School Council

In the next one to two weeks the school council will be meeting for the first time in over a year! We are all looking forward to it. It has been so long since the school council has been able to do anything together. All we need now is for the rules to change!

Emily, Y6 School Councillor

Online Reading Records

All of the children now have online Reading Records on Teams. You will need to log in to your child's Teams and their individual files to access the record. This is an opportunity for you to communicate with school about the times when you have shared a book and/or read with your child. Please record these sessions and add any comments. Your child's class teacher will have sent you details of this on Classlist.com

Head Boy Book Recommendation

Hello St Roberts! Head Boy - Toby Moran here. I hope you have all been reading well in school and over lockdown - here is a really

good book that I would like to recommend. It is called 'The Hunger Games' by Suzanne Collins. It is about a girl named Katniss Everdeen who is put into the games to fight other young people until there is only one left standing. If you are quite young you might find it a bit scary, so remember to ask your parents before reading it; but it is adventurous, courageous and overall very thrilling. My favourite part is when Katniss volunteers to enter the games to save her little sister from having to take part - it was very brave of her!

The Virtue of Kindness

Kindness: I know that every act of kindness helps build God's kingdom.
