Little Fish - Olive

School Class Photographs

The photographs will be available to view within the next couple of days. We will be sending the link out on classlist once it has been received from Tempest. You will be able to order on-line and the photographs will be delivered to school to then be sent home.

Sports Day

Following Health and Safety advice to ensure that we keep our school community safe the socially distanced Sports Day sessions will go ahead without parent/carer spectators. Children will take part in class bubbles and then be able to share their photos and videos with you through Teams. We will be asking parents/carers to contribute by making donations and sponsoring races/events. Please look out for a Classlist notice before the end of the week, giving more details.

St Roberts' Helping Hands AGM

Although we haven't been able to hold any events or organise fundraising over this last year, the St Robert's Helping Hands would like to thank all those who were able to attend their Annual General Meeting yesterday evening. A massive thanks to the outgoing committee who have done a tremendous job over the last three years and a huge welcome to the new committee who are looking forward to getting involved.

School Reports

Teachers have been busy writing end of year reports and we will be sending these out at the beginning of July.

Harrogate District Walk to School Day—Friday 18 June

Well done to all our children and families who were able to walk, cycle or scooter to school last Friday. It was a fantastic effort from everybody, thank you very much, you have made a difference to help combat climate change!

Zero Carbon Harrogate will be logging the miles walked (or cycled) and carbon saved by schools across our district - so please help put our school at the top of the leader board!

Every mile counts! Please go to www.zerocarbonharrogate.org.uk/harrogate-district-walk-to-school-day for more information.

School Council

The School Council have been working hard to help organise the staggered entrance and exits in order to help everyone know which ones to use. They have made notices and organised the doors into coloured zones.

Door 1 = red background for the main door into the building;

Door 2 = yellow background where the entrance and exit is via the hall

Door 3 = blue background where the gate leads to the playground.

St Robert's Brownies

We currently have a few spaces at St Robert's Brownies, if your daughter is interested in joining please contact Sarah Mansfield on Mansfield.sarah@gmail.com

We meet on Wednesday's between 6.00pm and 7.15pm.

Prayer

Dear God,

We ask you to help us to be open to the Truth,

Being honest will help us to keep our conscience clear and our self-respect intact.

May we build fair, open and trusting relationships with each other.

And promote a culture of seeking the common good instead of pursuing personal self-interest.

Help us to be the best version of ourselves, in your image.

Amen
