Parents Evenings

Thank you to all our parents/carers for joining us for parents' evenings especially with the ensuing internet and Teams issues. Hopefully you were all able to speak to your child's teacher about how the children are settling into work and getting used to being back in school. It has been a difficult time for everyone during the pandemic and having the children back in school full time for the last 5 weeks has been a great for all of us to get back into the routines of school and learning together.

Royal Mail Heroes Stamp Design Competition

As a school we are taking part in the Royal Mail's Heroes Stamp Design Competition to honour the heroes of the Coronavirus Pandemic. The children will think about who their hero or heroes are and then design a stamp in their honour. All our children will have the opportunity to enter. Each entry we send in will have name of the child, their age and our school's name and postcode. Please read the attached 'Heroes letter for Parents' which explains how Royal Mail will use these details. If you have concerns after reading the letter about the use of your child's data, please let your child's class teacher know

not to include their entry design in the competition.

Health and Well-being

Please see the attached reference guide for parents/carers from North Yorkshire County Council regarding NHS Test and Trace. Please continue to be vigilant for any symptoms of coronavirus and follow the guidance to ensure our children and families remain safe and well.

Reading Inspiration

"I will defend the importance of bedtime stories to my last gasp." — JK Rowling

"One of the greatest gifts adults can give—to their offspring and to their society—is to read to children." — Carl Sagan

A Prayer for Kindness

"Lord, even when the world around us is swirling and broken, thank you for being true, kind, and a foundation to lean on. Today, we boldly and humbly approach you asking for your kindness to meet us"

Amen
