Continuing Covid Restriction to reduce Transmissions

You must wear masks on entry to the school Reception/Office area and the school building

Please help reduce the spread of coronavirus by wearing masks at drop off and pick ups. In order to keep school open there needs to be enough staff in, to work at correct health and safety levels.

Covid restrictions are re-advised in school including social distancing and restricting non- essential events eg. whole school assemblies are via TEAMS at present. If your child has any covid symptoms please keep them at home and take them for a PCR test and inform school.

Email Communications with School

Please use the school email address admin@st-roberts.n-yorks.sch.uk

for any online communications or to pass an email message on to staff. However, in a very busy school environment, it is best to talk to staff and teachers at the end of the school day at pick up time, or call into the school office in the morning at drop off. Any further appointments can be made from there.

Key Stage 1 Snack

Children in reception and KS1 Year 1 and Year 2 participate in the government run free Fruit and Veg in School scheme. The school has achieved the Bronze Award for Healthy Schools. School policy is for all R/KS1 children to participate in the Fruit and Vegetable Scheme. If your child has special medical dietary requirements and cannot eat the snack provided then please speak to your child's class teacher.

Children in KS2 are able to bring their own healthy snack of fruit or vegetables if they wish to do so.
