Poppies

The children are making poppies and talking about Remembrance Day. The poppies are being displayed on their class windows. There will be more appearing as the week goes on. We hope you like them.

Parents Meetings

Thank you to those parents who have signed in or taken part in a virtual parents' meeting. These seem to be working well. One issue we have come across is if you don't receive the invite check your spam folder as this has happened in a few cases. Whilst this system has worked relatively well we are all still a bit new to this so please bear with us.

Displaying Symptoms

If you or your child display any symptoms of Coronavirus please self-isolate for 14 days and get tested. Please let us know as soon as possible what the outcome of those tests are.

Cold Classrooms

As the weather begins to get colder children will need to wear warm coats and sturdy footwear (ideally a change of footwear) for outside learning. As we move into winter months the ventilation requirements during the pandemic means that it will also be colder in school classrooms. Please make sure your children have warm clothing. We suggest thermals and vests under uniform and a warm outer sweatshirt/hoody (navy would be nice but not obligatory at present) on top of uniform for indoors when it gets really cold.

Sacramental Preparation

Please find attached enrolment letter and enrolment notice – which went out last week in the parish bulletins. Hard copies are available at the back of church but we have provided them as an attachment.

Bike Rack

A big thank you to Harrogate Borough Council for the 75% grant and to our wonderful St Robert's Helping Hands for the 25% contribution to our new bike rack. It has been a great addition to the school community especially as we are encouraged to bike or scoot to school to promote a healthier lifestyle and even more so during this pandemic. It also goes a long way to reducing our carbon emissions and our carbon footprint too. It is certainly well used and has been a huge hit with all the users. We appreciate all the efforts and support of those who made it possible.
