Noah	Merlins
Olive	Owls
Henry	Kestrels
James	Kites
Alex	Falcons
Charlotte	Eagles

Well done everybody!

Big Fish - Juliette Gibson

Little Fish - Katie Storr

## Prayer for Our Common Home

Dear Lord,

We pray for the world, our common home:

that through God's grace

we may hear its cry of the damage done

and be moved to protect it for

future generations to enjoy.

Lord, in your mercy,

Hear Our Prayer

## Wearing of Face Masks

You must wear masks on entry to the school Reception/Office area and the school building

We strongly recommend you wear masks at drop off and pick ups

## Covid Restrictions re-advised in school

We have been advised to re-introduce some control measures in school following the number of children who seem to be catching covid-19. However most of these measures were already in place as we didn't take them away. Adults to wear masks in communal areas; enhanced cleaning; fewer opportunities for cohort mixing. We have gone back to assemblies on Teams until half term or until further notice. Please make sure you let school know asap if your child has symptoms or has a positive test result.

## Collecting Morrisons Vouchers

We are participating in the Morrisons 'It's Good to Grow' campaign to collect vouchers for free gardening equipment for school. Any vouchers would be greatly appreciated. Just send them into school. If you shop online just download the MyMorrisons app to start collecting Grow Tokens and choose our school to donate them to.

## Cafod—Go Green

Thank you to everybody who supported Go Green with Cafod last Friday. Your generosity is appreciated by all at Cafod this Harvest who are working to support communities protecting the Amazon. You raised a total of £211.19

## Parent Carer Voice Upcoming Sessions

Please see the flyer with this newsletter for virtual sessions via

zoom on Let's Talk Sensory Processing and Let's Talk Transitions.

## Walk to School Day – Friday 8th October

Schools across the whole district, both secondary and primary, will be swapping their car commute (or at least the last part of it) in favour of walking, cycling or taking the bus/train, as part of a community effort to reduce our district's carbon emissions.

Some pupils who live in rural locations may feel they cannot get to school any other way than with their car, so car sharing and the 'park and stride' option also count. If parents can park their car sooner than normal, and walk the last part, that still lowers their carbon footprint. Every mile counts!

To find out more please visit:

[www.zerocarbonharrogate.org.uk/harrogate-district-walk-to-school-day](http://www.zerocarbonharrogate.org.uk/harrogate-district-walk-to-school-day)

The Mayor, Mayoress and local MP will be visiting the school on Friday morning to welcome all walkers and find out how our children are contributing to Walk to School Day.

## Virgin Money Mini London Marathon 2.6 miles

Throughout the week children across every year group have been taking part, by running around the school playground as many times as possible (14 laps = 1mile) to reach the target of 2.6 miles. As well as getting everyone fit and active, we think this is a great opportunity to raise funds for reading resources across school. Please support our mini marathon runners by sending in your sponsor money by the end of next week.

## Ten Ten October Parent/Carer Newsletter

Please follow the link below to see the RE newsletter from Ten Ten which you can share as a family at home.
